

CEMETERY TRUSTEE MEETING

JUNE 9, 2009

PRESENT: Don Burke, Janet Brown, Rob Gordon

GUEST: Judy Rogers

Meeting called to order @5:00pm.

The May minutes were read and accepted by all.

Inmate projects were done at Johnson Cemetery and East Weare Cemeteries. We had a lot of damage done to trees, limbs from the winter ice storm. All the brush and limbs were stockpiled at Johnson Cemetery. The inmates used the town brush grinder to clean up all the debris. Great job done. They also painted the chain link fence at Johnson and it looks great. Thank you Don Burke and Tony Sawyer and all the young inmates, it looks great.

The Trustees brought the hydrangea trees for Collins Cemetery and Janet and Burt planted them. Paul Doscher has donated twelve spruce trees which will be planted at back fence at Johnson Cemetery. Thank you Paul and family for your generosity.

Margo McLeod thinks there are two small markers missing at Collins Cemetery. Don will meet with her at cemetery because we took such good care of area when we replaced that granite wall. The Town will redo the front of Collins Cemetery by re-loaming and re-seeding, and fixing drains again and look at road going to house in back of cemetery where water is still going under cemetery. When this is finished Andy Speilberger will finish wall around corner.

Motion was made by Janet and seconded by Rob Gordon to spend \$1600.00 for 3 – 6' granite entrance steps for Eaton Cemetery work to be done by Andy Speilberger and then new gate will be replaced. We will get permission to go on State right of way.

We talked about a lot of the cemeteries are real close to our roads. Many have been damaged by plowing and grading. Don will speak to Carl that the plowing and grading near any of the cemeteries need to be respected by all drivers.

Rob Gordon brought a number of pictures of fencing for Pine Grove Cemetery back fence. We will replace the 700 feet of fence at the back of Pine Grove. The prisoners will take old ones down and put up new ones and the posts can be saved. We picked out a fence we liked and Rob will get price. Thanks Rob. The fence will look great.

Meeting adjourned at 6:25p.m.

Respectfully submitted,

Janet Brown
